Dear Candidate,

Thank you for supporting union labor, assuring fair wages and benefits for workers. Below you will find information about union services that we hope will be useful during your campaign.

It is the policy of the MLKCLC that we will not support financially or with our labor (canvassing or phone calling) candidates who do not use union labor to the most reasonable extent possible, as defined by MLKCLC.

If you have any questions or need additional information, please contact our office at office@mlkclc.org or 206-441-8510.

Audio-Visual (IATSE Local 15)

When you have an event that calls for audio-visual work (sound power point, film or other projection) don't be caught short with non-union labor!

Even for events at union venues, including hotels, AV services provided through the venue are often non-union. That means lower wages, often no benefits, no job security for the workers and, as a result, frequently poor quality as well.

Please contact Local 15 of the International Association of Theatrical Stage Employees (IATSE) for high quality professional services to meet your AV needs. Local 15 members have experience at providing sound and visual services to a broad range of customer in the Puget Sound, including the Democratic Party and the candidates and office holders who support union labor.

Videography & Commercial Production (IATSE Local 488)

As you develop your campaign communication plans, Local 488 hopes you will insist that your campaign managers use union companies in campaign videography and in the production of radio and television commercials. IATSE Local 488 is the union representing professional freelance motion picture and television production technicians in the Pacific Northwest. They have made it quick and easy for production companies to secure a union contract and assure your assignment is done on time, within budget and all union.

To find out more about what [IATSE Local 488](#) can offer your campaign, call Bob Riggs at 360-239-8218.

Musicians (AFM Local 76-493)

Have live music at your campaign event! Free union referrals for all styles of music. [Local 76-493](http://local76-493.org) has been representing professional musicians for over 125 years. Please contact Local 76-493 for high quality professional music. Call 206-441-7600 or use our online referral form <http://local76-493.org/hire-musician-or-band/>.

Truck Leasing/Rentals (IAM District 160)

[Penske Truck Leasing](http://penske.com) is the only union-maintained rental fleet in King County. We hope you'll make Penske your first choice when you need to rent a truck or van.
